This is to notify the public that members of the Sedona City Council and Planning and Zoning Commission may attend an open house for a proposed City-initiated Major Amendment to the Sedona Community Plan. This proposed amendment will allow for consideration of proposals of more than 12 dwelling units per acre for multi-family development projects that provide strategies for achieving housing diversity, affordability and availability to address local housing needs. No specific properties are involved in this amendment.

This event will take place on Tuesday, August 22, 2017 at 5:00 p.m. in the Schnebly Conference Room at Sedona City Hall (Building 104), 102 Roadrunner Drive, Sedona, Arizona, 86336.
