

Parking options

Free parking all day

Parking lots 1, 2, 5, and 8 allow you to park free all day.

Free parking 3 hours

Parking lots 3, 4, 6, and 7 allow free parking with a 3-hour limit.

Some lots are privately owned with a portion leased by the city. Be sure to observe all employee-only, no parking and other restriction signs.

Pay-to-park

Spaces located directly in front of the Uptown shops along Main Street, SR89A, require visitors to pay to park.

- Pay stations accept coins, bills, major credit cards and pay-by-phone apps.
- Pay stations are as easy to use as an ATM. Follow the instructions displayed on the screen or pay by phone using the PassportParking app available from the App Store or Google Play. There is a 10 cent convenience fee to use the app.
- Pay-by-phone users who sign up for the app and enter Parking Zone 846 can skip the pay station.
- Enter your license plate numbers and letters when prompted.

- A reminder text message option notifies you that your time is about to expire with the option to extend meter time by phone, even without using the app.
- The cost to park varies with seasonal fluctuations in visitation. The pay schedule will be clearly visible when you park.

Way finding

Watch for directional signs labeled Free Parking.

After parking, note the lot number to help you find your way back to your vehicle.

Tips and regulations

Never leave a child or pet unattended in a vehicle, even for a minute. Although the outside temperature may be mild the interior of a vehicle heats rapidly, even with the window left slightly open.

Lock your vehicle and secure all valuables out of sight.

All lots are handicap accessible. A handicap license plate or placard does not exempt you from paying parking fees or allow you to park illegally.

RVs and motorhomes must park in designated spaces and may not park parallel across parking spaces designated for standard vehicles.
