

## PARTIAL LIST OF CERTIFIED WASTEWATER SYSTEM INSPECTIONS

1/3/2011

A list of companies with qualified on-site wastewater system inspectors is provided below. This list is not intended to include all companies that qualify. This list is intended to provide a starting point for those seeking wastewater system inspection services. This list may be revised from time to time.

1. Az Waste Water – (928)203-9320
2. 1<sup>st</sup> Class Septic Plumbing – (928)204-1616
3. Roto Rooter Sewer & Drain Service – (928)634-2806
4. Black Hills Pumping – (928)634-3578

\* For contractors that are not identified on this list and have met the qualifications to perform inspections of existing wastewater systems, and have also met the permitting requirements for the City of Sedona, may contact me about being added to this list.

Should you have any questions or concerns, please contact me with the information provide below.

Thank you
