All Other Funds:

Most of these funds require inter-fund transfers or planned use of reserves to balance their budgets. Sporadic changes to these funds occur because of the large payments made for expenditures on Capital projects as the work is completed. These notes may be more useful as projects are started and possibly completed during the fiscal year.

- d) The Streets Fund is funded through the State shared revenues of Highway User Revenue Funds (HURF). These dollars are restricted to use of streets/right-of-way maintenance and improvements. The HURF monies received for December 2012 have increased from December 2011 by approximately 10.28%. Cumulative HURF revenue received for the current fiscal year through December 2012 increased over fiscal year 2010-11 through December 2011 by approximately 9.72%.
