CITYWIDE CONCRETE JOB ORDER CONTRACT

The City of Sedona is soliciting Statements of Qualifications from qualified firms to perform general concrete construction work and on an as needed basis. This Request for Qualifications (RFQ) invites Respondents to submit Statements of Qualifications (SOQs) describing in detail their technical, management, and financial qualifications to provide construction services which include various types and levels of general concrete construction work throughout the Sedona area. These services relate to removal and replacement of concrete handicap ramps, sidewalks, curb and gutters. The issuance of this RFQ is the first step in the procurement process being conducted by the City. Based on its evaluation of SOQs, the City may determine a final list of the most qualified, responsive Respondents to interview for final selection. At the City's discretion, the Job Order Contractor may be directly selected based on SOQs received. **Statements of Qualifications are due no later than Tuesday, May 21, 2013 at 1:00 PM.** No qualifications statements will be accepted after the date and time indicated.
