**To Whom It May Concern:**

The City of Sedona, Arizona is issuing **Addendum # 1** to the Contract Documents as originally issued at the time of solicitation for bid for the **Police Department Shooting Range Improvements Project**. For any submission to be considered responsible and responsive, receipt of this addendum must be acknowledged.

As specified in the Information For and Instructions to Bidders this Addendum upon issuance has become a part of the Request for Qualifications.

This Addendum contains 1 pages including this page.

*This Addendum clarifies the following:*

- 1) **As specified in Special Condition 15, screened rock not used in the construction of the berm shall be left on-site for future use by the City. The rock shall be left south of the rifle shooting range, where on-site fill material is currently being stored.**
- 2) **Reclaimed water is available at the wastewater treatment plant. Use of the reclaimed water for construction will require permitting through ADEQ. It should be noted that water pressure is less than 50 psi. Potable water can be obtained through Arizona Water Company.**

**ACKNOWLEDGEMENT**

I have received addendum # 1 for the **Police Department Shooting Range Improvements Project** as described above, and acknowledge it as part of the Contract Documents for the project.
