General Standards for Temporary Signs in Commercial Districts

- Temporary signs shall be located on the business premises that directly relate to the purpose of the sign. Off-premises signs are not allowed.
- Temporary signs shall not be located within street or highway right-of-ways.
- Temporary signs are to be located in commercial zoning districts only.
- Freestanding signs are limited to eight (8) feet in height.
- State law requires that you call for a Blue Stake inspection a minimum of 2 days prior to any digging into the ground for any purpose. A Blue Stake inspection requires that any utilities with underground lines mark the location of their lines to prevent disruption during digging/excavation activities. To schedule a Blue Stake inspection, call 811, 1-800-STAKE-IT, or go to www.arizona811.org
