To Whom It May Concern:

The City of Sedona, Arizona is issuing **Addendum # 1** to the RFQ as originally issued at the time of solicitation for SOQ's for the **JOC for City of Sedona Drainage Improvement Projects**. For any submission to be considered responsible and responsive, receipt of this addendum must be acknowledged.

As specified in the Instructions to Respondents this Addendum upon issuance has become a part of the Request for Qualifications.

This Addendum contains 1 page(s) including this page.

This Addendum changes the following:

- 1) **Section IV – Selection Process:** The City will not be holding interviews. The “shortlist” selection of three contractors for the Request for Proposal Phase will be determined solely on the Statements of Qualifications.
- 2) **General Information C.2 (regarding proposed subcontractors):** A list of any proposed subcontractors, including key staff names and the experience and qualifications of these individuals is not required in the Statement of Qualifications. However, it is required that each person or firm submit a Proposed Subcontractor Selection Plan. The Plan must select subcontractors based on qualifications alone or on a combination of qualifications and price and shall not select contractors based on price alone.

ACKNOWLEDGEMENT

I have received addendum # 1 for the **JOC for City of Sedona Drainage Improvement Projects - RFQ** as described above, and acknowledge it as part of the Contract Documents for the project.
