

Often Veterans and seniors must leave their homes because they cannot afford to make critical home repairs or add wheelchair ramps to their homes.

WHAT WOULD YOU DO?!?

Verde Valley Habitat For Humanity now has a Critical Home Repair Program to help qualified Veterans, Seniors and Low-income families with these critical home repairs and building wheelchair ramps.

Contact Verde Valley Habitat For Humanity to help with these repairs and wheelchair ramps.

The Critical Home Repair program provides exterior home repairs, clean up, and build / repair wheelchair ramps for the elderly and disabled. The program will focus on small critical home repair projects which include exterior home clean up, porch repair, painting, wheelchair ramps repair and / or construction, etc.

Eligibility Requirements:

- Gross family income falls within 30% to 60% of median income for Yavapai County
- The home is owner occupied
- Title / Mortgage holder must apply
- All property taxes must be paid up to date

For each selected project, the Construction Manager will take the lead and will oversee the volunteers and any contractors who are working on the project. To keep project cost to a minimum, all projects will strive to utilize donated material when possible as long as it meets building codes or does not jeopardize the quality of the job.
