Two ways to register

Register online

Best for if you want to customize your settings.

1. Visit https://local.nixle.com/register/

2. Email is required. Mobile phone is optional for advisories and community messages, but required if you wish to receive red Alert messages about high priority safety events.

3. Hit "I Accept. Sign me up!"

4. Enter any address within the Sedona city limits. To receive official city of Sedona messages you *must* enter Sedona in the city field, and our our zip code, 86336.

5. Customize your notification settings.

Opt in by text

Best for visitors who only wish to receive text message notifications while in Sedona.

1. On your mobile device, create a text message. The recipient is 888777. In the body of the message type Sedona's zip code, 86336.

2. That's it!

3. To stop receiving alerts, text the word STOP to 888777.

4. If you wish to add an email address or customize your settings, text the word PASSWORD to 888777. You will receive a password you can use to log in to your account by visiting Nixle online at https://local.nixle.com/register/

   If you receive a "message failed" notice after trying to opt-in by text, it may be that short code texting is disabled on your phone. To enable short codes, contact your mobile provider.

FAQs

Do I have to register to use Nixle? Anyone can see the city's messages at https://local.nixle.com/city-of-sedona-az/ without registering.To customize your settings you must create a free account. To see city of Sedona messages, enter any cross streets or address within the city and use our zip code, 86336.

Is Nixle free? Yes registration is free. If your personal mobile phone plan includes text messaging charges, messages will be charged at standard text messaging rates for your plan.

Who can send messages through Nixle? The Sedona Police Department, Public Works Department and City Manager's Office. Nixle is used nationwide by government agencies, school districts and other organizations that support public safety.

What types of notices will I receive? There are three types of messages. If you register your account online you can set your own preferences for the kinds of messages you will receive.

- Alert - urgent safety messages such as severe weather warnings, missing child, gas leak.
- Advisory – police activity, road closures, traffic congestion, safety advisories.
- Community – information that is not time-sensitive such as routine road work.

Can someone track my location by using the system? Nixle does not track users and does not sell or share information with third parties, not even the city. You are not required to give your home address.

Can I enter multiple addresses? You will enter one address or cross street in the Sedona city limits to create your account; it does not have to be your home address. Then you can click on "Locations" and add as many additional Nixle locations in any U.S. city as you wish. You can access Nixle messages online, anywhere in the world.

Can I limit the number of text messages I receive? You can limit the number of text messages by adjusting the type of messages you receive. Alerts (urgent safety messages) are sent by text but Advisories and Community messages can be received by email only.

How do I unsubscribe? Log in and click "Settings." You can eliminate text messages under the "Account" tab or you can text STOP to 888777. If you want to eliminate all of your Nixle account information send an email to support@nixle.com. Even after unsubscribing you can still view Sedona's Nixle notification by visiting nixle.com.
