### To Whom It May Concern:

The City of Sedona, Arizona is issuing **Addendum # 2** to the Request for Qualifications as originally issued at the time of solicitation for proposals for the **Wastewater Collection System Improvements**. For any proposal to be considered responsible and responsive, receipt of this addendum must be acknowledged.

This Addendum contains 4 pages including this page.

*This Addendum adds the following:*

The following serves to clarify, that improvements for both the Mystic Hills and Chapel Lift Stations will include replacement of the existing wet wells:

1. Part I, REQUEST FOR QUALIFICATIONS (RFQ), PURPOSE, replace the second sentence of the second paragraph with: "Capacity improvements at these facilities will primarily focus on increasing pumping capacity, but are also to include replacement of wet well structure(s), and related devices."; and
2. Part II – D, SCOPE OF SERVICES, paragraph heading titled Chapel Lift Station, second paragraph, add the following to the bulleted list: "Replace existing wet well".

### ACKNOWLEDGEMENT

I have received addendum # 2 for the **Wastewater Collection System Improvements** as described above, and acknowledge it as part of the Contract Documents for the project.
