City Engineer:

J. Andy Dickey, PE
 (928) 203-5039

ADickey@SedonaAZ.gov

\$ FY18 Project Budget: \$1,170,000

Total Project Budget: \$5,373,800

A condition assessment of existing sewer infrastructure and capacity analysis of the City’s Wastewater Collection System was completed as part of the Wastewater Master Plan Update. Evaluation of the operation of the City’s 17 lift stations led to identification of improvements needed at 2 of the lift stations: Mystic Hills and Chapel.

This project will provide design and construction for an increase in the wet well capacity and upgrades to the pumps.

Status: After review of five submitted Statements of Qualifications and interviewing three consulting firms, Sunrise Engineering, Inc. was selected to complete the design services for the Mystic Hills and Chapel Lift Station Replacement Project. Staff is working with Sunrise Engineering to develop a scope of work for the project. The contract is scheduled for approval at the March 13, 2018 City Council meeting. Once approved, design will begin and is expected to take 6 months to complete.
