The following summarizes the Ranger Station Park Master Plan:

Major elements consist of the Barn and House: multi-purpose community rental spaces; the Plaza: multi-purpose open area between the house and barn and the Open Lawn: large open area south of the barn.

Possible activities include community events, weddings, family reunions; concerts, dances, plays, movies; historic talks and tours; classes and workshops; meetings and small conferences; farmers market and temporary art galleries.

Recreation Amenities include walking path, picnic tables, swings, play features and pickleball courts.

Possible Recreation Activities include horseshoes, croquet, hopscotch, yoga and frisbee.

Park Features include historic interpretive information, art murals and sculptures, benches and food truck vendor space.

Design Features include green building: energy and water efficient; native landscaping: plants representative of the natural, local landscape and orchard trees for shade and in recognition of the historic orchards in Sedona.

Phase 1A includes: Installing underground utilities and rough grading the site. Design of the gravity sewer system has been completed. The sewer and water lines have been installed.

Status: In FY 2018 we will complete construction of the Phase 1A improvements. For further project information visit the project web page: www.sedonaaz.gov/rangerstation.
