**\$ FY18 Project Budget:** \$272,500

**Total Project Budget:** \$272,500

The court and City Council often compete for the usage of the existing court chambers at City Hall. As court usage steadily increases, the need for a dedicated full time court house is becoming a basic need. The extent of this project is to remodel the interior of the building on 55 Sinagua Drive. This will be a full remodel and will ensure court functions and needs are met.

**Status:** Don Woods Architect is currently preparing the construction drawings for the project.
