To Whom It May Concern:

The City of Sedona, Arizona is issuing **Addendum # 2** to the plans and specifications as originally issued at the time of solicitation for bids for the **Remodeling for Wastewater Reclamation Plant Administration Building**. For any bid to be considered responsible and responsive, receipt of this addendum must be acknowledged.

As specified in the Instructions to Bidders this Addendum upon issuance has become a part of the Contract Documents.

This Addendum consists of 4 pages including this page. Noted changes to sections and/or portions of the Bid Documents are: 0 changes or additions to the bid schedule; 0 changes or additions to plan drawing sheets, and 0 changes or additions to Special Conditions, General Conditions, Technical Specifications, or other. Any changes or additions to the Bid Documents provided by this addendum or other addenda shall be used in lieu of the originally issued Bid Documents for which they change, replace, or supplement in order to submit a responsive bid.

This Addendum clarifies the following:

1. REQUEST FOR INFORMATION

Question – While reviewing the contract documents & plans, we noticed there was nothing regarding fire alarm or suppression. Who is responsible for providing those items?

Response – The existing building does not currently have a fire suppression system. Further and as part of the building permit review process it was determined that the existing building together with the associated remodel and addition were below the threshold requirements for a building fire suppression system. Accordingly, the project does not include implementation of a new fire suppression system or modifications/additions to an existing fire suppression system. Relative to a fire alarm, the building is outfitted with a fire alarm system; however, remodel efforts are not anticipated to impact or effect changes to the existing alarm system.

2. REQUEST FOR INFORMATION

As Requested, please find attached hereto a copy of the Pre-Bid Meeting Attendance sign-in sheet (2 pages).

This Addendum changes the following:

(No Changes in this Addendum)

This Addendum includes the following attachments:
