**CITY OF SEDONA
COTTONWOOD AREA TRANSIT - REGIONAL TRANSPORTATION
SERVICE IGA**

This Intergovernmental Agreement ("IGA") is entered into on this 1st day of July, 2019 (the "Effective Date"), by and between the City of Cottonwood, an Arizona municipal corporation ("Cottonwood"), and City of Sedona, an Arizona municipal corporation ("Sedona"). Cottonwood and the City of Sedona may be referred to in this IGA collectively as the Parties, and each individually as a Party.

RECITALS

- A. Cottonwood is authorized to provide public transportation services, and operates a public transportation system known as the Cottonwood Area Transit ("CAT") System.
- B. The CAT System includes an intercity commuter system between Cottonwood and Sedona known as the Verde Lynx.
- C. The Parties have successfully conferred for the purpose of providing for Cottonwood's management and administration of the Verde Lynx system, in consultation with Sedona, and with Sedona's financial support.
- D. The Parties are authorized to enter into this IGA pursuant to A.R.S. 11-952.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Operation of Verde Lynx; Financial Support. Commencing on July 1, 2019 Cottonwood will operate and manage the Verde Lynx System as part of its overall CAT system operations, and will provide regular scheduled commuter bus service ("Transportation Services") in compliance with all applicable state and federal statutes and regulations, and all applicable requirements of the Arizona Department of Transportation ("ADOT"), Federal Transit Administration ("FTA"), and any other granting authority. The Parties specifically acknowledge and agree the provision, type, amount and frequency of Transportation Services are directly contingent on the appropriation of funds by ADOT, FTA, and/or other granting agencies on Sedona's behalf, as well as by Sedona directly, and can be impacted by funding received from or on behalf of other government participants in the CAT system, which include, at present, the City of Cottonwood; Town of Clarkdale; and Yavapai County.
2. Scope of Services. Transportation Services shall include, but not be limited to the operation, maintenance and periodic replacement of the vehicles that

constitute the Verde Lynx fleet; recruitment, employment, oversight and training of sufficient, qualified staff; procurement; insurance and risk management; budgeting; marketing; fare-setting; and any and all additional management and administrative services routinely associated with the operation of a public transportation system general, and/or reasonably required in connection with the operation of the Verde Lynx system in particular.

3. Application for Grant Funding. Sedona will cooperate with Cottonwood to seek and secure funds to support the Verde Lynx system, including but not necessarily limited to Rural Transportation Program ("Section 5311") funds from ADOT. Any funds received by Cottonwood on behalf of Sedona and/or the Verde Lynx system will be credited to Sedona in the annual budgeting process for the CAT system.
4. Bus Shelters. Each party shall be responsible for installing and maintaining any bus shelters located within its corporate boundaries. Cottonwood shall be responsible for installing and maintaining any and all bus shelters located between the communities along the Verde Lynx route, provided, however, that Cottonwood shall consult with Sedona prior to installing any shelters between the communities. Maintenance shall include all necessary repairs; litter and trash removal; signage; snow removal; and graffiti removal.
5. Development of Annual Operating Budget and Cost Allocation Plan. Each year this IGA is in effect, Sedona will provide Cottonwood with a complete written description of the levels of service it desires from the Verde Lynx system in the next ensuing fiscal year, including specific routes, stops, and schedules of service. Each year this IGA is in effect, Cottonwood will provide Sedona with a proposed operating budget and cost allocation plan for those services, including the amount of grant funds committed or anticipated to be received on behalf of the Verde Lynx system in the coming year, and the amount of funds Sedona will have to contribute to enable Cottonwood to deliver the desired levels of service, including drawing down any available grant funds for the Verde Lynx system. Immediately following Cottonwood's issuance of the proposed operating budget and cost allocation plan, the Parties will confer for the purpose of developing tentative budget line items for the upcoming fiscal year for approval by the Parties' respective governing bodies.
6. Modification of Operating Budget and Cost Allocation Plan Following Adoption. If for any reason (including but not limited to a discrepancy in the amount of funds actually awarded or received by or on account of the Verde Lynx system relative to the funds that were anticipated to be received from any source; a requested change in the types/amounts/frequency of Transportation Services to be provided by the Verde Lynx system; or for any other reason), either

party desires to re-negotiate the cost allocation plan for the Verde Lynx system following the adoption of the budget by the Parties' respective governing bodies, that Party shall notify the other of such desire in writing. Thereafter, the Parties shall negotiate in good faith to align the Transportation Services with the funds available from all sources (including Sedona's local share) for operation of the Verde Lynx system, and submit such revised plan as they successfully negotiate to their respective governing bodies for consideration and approval.

7. Payment of Local Share by Sedona. On a quarterly basis, Sedona shall remit to Cottonwood one-fourth (1/4) of the amount determined to be its local share of the Verde Lynx operating budget, modified as appropriate to accommodate any changes adopted pursuant to Section 6 above, to ensure that Sedona pays its agreed-upon annual local contribution over the course of the then-current fiscal year.
8. Capital Planning. In conjunction with the annual budgeting process, the Parties will also jointly develop and update as appropriate an agreed-upon capital plan for the Verde Lynx system, including the amounts and expected timing of any required capital contributions by Sedona.
9. Reporting. Cottonwood will prepare and submit monthly ridership reports to Sedona that include, but will not necessarily be limited to passenger counts, ridership per hour, and related budget information for the Verde Lynx system. Cottonwood will also provide Sedona with quarterly budget reports assessing the financial performance and condition of the Verde Lynx system, and will comply with any and all reporting requirements of any state or federal granting agency in respect of the Verde Lynx system.
10. Transportation Advisory Committee. In accordance with ADOT and FTA requirements, Cottonwood will establish and coordinate a local Transportation Advisory Committee that includes representatives from all public agencies participating in the CAT system, including without limitation the Verde Lynx system (as well as other stakeholders), and that will meet no less frequently than once per quarter to develop and review performance measures, and to recommend and plan for future transportation services in the Verde Valley.
11. Term and Termination. This IGA shall be effective from July 1, 2019 through June 30, 2021 (unless extended or sooner terminated as provided for herein),

and shall be deemed renewed for successive two-year terms unless either party chooses to terminate the agreement by giving the other Party one hundred and eighty (180) days written notice of termination. Cottonwood will not incur any further obligation on behalf of Sedona after receipt of a written notice of termination. Sedona will pay Cottonwood for services rendered and capital assets acquired prior to the date of termination.

12. Records and Audit Rights. Each Party's work and accounting records (hard copy, as well as computer readable data, and any other supporting evidence deemed necessary by the other Party to substantiate charges and claims related to this IGA shall be open to inspection and subject to audit and/or reproduction by authorized representatives of the other Party, to adequately permit evaluation and verification of the performance and cost of the work, and to conduct and prepare all audits and reports required by law. Representatives of each Party shall be afforded access, at all reasonable times and places, to all of the other Party's records and personnel, pursuant to the provisions of this Section, throughout the term of this IGA (including Renewal Terms), and for a period of five (5) years after last or final payment.

13. General Provisions.

13.1 Incorporation of Recitals and Exhibits. The Recitals are acknowledged by the Parties to be substantially true and correct, and are hereby incorporated as agreements of the Parties. All exhibits referenced herein and attached hereto, are hereby incorporated into this IGA.

13.2 Entire Agreement. This IGA constitutes the entire understanding of the Parties and supersedes all previous representations, written or oral, with respect to the services specified herein. 13.3 Arizona Law. This IGA shall be governed and interpreted according to the laws of the State of Arizona.

To the fullest extent permitted by law, each party to this agreement shall defend, indemnify, and hold harmless the other, its agents, officers, officials, employees and volunteers from and against all claims, damages, losses, and expenses (including but not limited to attorney fees and court costs) arising from the acts, errors, mistakes, omissions, work or service of the indemnifying party, its agents, employees, or any tier of the indemnifying party's subcontractors in the performance of this Agreement. Any insurance requirements shall not be construed as limiting the scope of this indemnification.

13.5 Modifications. Except as otherwise specifically provided in this IGA, any amendment, modification or variation from the terms of

this IGA shall be in writing and shall be effective only after written approval of all Parties.

13.6 Attorney's Fees. In the event either Party brings any action for any relief, declaratory or otherwise, arising out of this IGA, or on account of any breach or default of this IGA, the prevailing Party shall be entitled to receive from the other Party reasonable attorney's fees and reasonable costs and expenses, as determined by the arbitrator or court sitting without a jury, which shall be deemed to have accrued on the commencement of such action and shall be enforceable, whether or not such action is prosecuted to judgement.

13.7 Notices. All notices or demands required to be given, pursuant to the terms of this IGA, shall be given to the other Party in writing, delivered in person, sent by facsimile transmission, deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested or deposited with any commercial air courier or express service at the addresses set forth below, or to such other address as the Parties may substitute by written notice, given in the manner prescribed in this paragraph.

Each Party retains the legal right to inspect the papers of any employee of the other Party or any sub consultant who works on this IGA to ensure compliance with this warranty.

A Party may conduct random verification of the employment records of the other Party and any of its sub consultants to ensure compliance with this warranty. A Party will not consider the other Party or any of its sub consultants in material breach of the foregoing warranty if the warranting Party and its sub consultants establish that they have complied with the employment verification provisions prescribed by 8 USCA § 1324(a) and (b) of the Federal Immigration and Nationality Act and the e-verify requirements prescribed by Arizona Revised Statutes § 23-214(A).
