What business mandates are still in effect?

On March 25, 2021, Arizona Governor Doug Ducey rescinded previous Executive Orders and announced changes to COVID-19 measures for events, businesses and local government mask mandates.

More specifically, in [this announcement](#), Governor Ducey stated:

- Events of more than 50 people will no longer need the approval of local governments. These events should continue to follow safe practices and Centers for Disease Control and Prevention (CDC) recommendations, including physical distancing. This includes youth sports.
- The business guidance will transition from requirements to recommendations. Governor Ducey is providing businesses with the ability to continue requiring masks and physical distancing.
- Bars have already been allowed to operate as “dine-in” at full capacity. They will now be allowed to resume regular operations, with the ability to require physical distancing and masks.
- Local mandates, including mask mandates, are no longer allowed except in government buildings and on public transportation. Mask usage is still encouraged, especially in groups that are not vaccinated.

As a business owner can I mandate masks in order for customers to come into my business?

Yes, Governor Ducey is providing businesses with the ability to continue requiring masks and physical distancing.

If I'm a restaurant, bar or brewery, can I offer take out services?

No effective March 25, 2021, bars and restaurants must resume normal business operations. Any take out alcohol must comply with your alcohol permit.

Can my jeep tour business still operate?
