**SUMMARY STATEMENT**

**Background:** On August 4, 2020, the City of Sedona held a Primary Election. A.R.S. § 16-643 requires that all election returns be made public by determining the vote for each person voted for and the vote for and against each referred measure appearing upon the ballot at the election. The Primary Election was for the Mayoral seat for two years and three City Council seats for four-year terms. The City had no ballot measures on the August 4, 2020 Primary Election ballot.

Four candidates, Mayor and Councilor 4-year term (3 seats), received enough votes at the Primary Election to be elected without going forward to the General Election. These candidates will be issued Certificates of Election. In order for these election results to become official, they need to be read into the City's record. There will be no need to participate in the November 3<sup>rd</sup> General Election as all of the Council seats were filled in the Primary Election.
