**Total Project Budget:** \$390,000

The 2017 Wastewater Master Plan Update (WWMP) included condition assessments of existing sewer infrastructure. During the evaluations, several areas were identified as needing attention. This project will rehab or replace sewer line scattered throughout the city. Design is scheduled for FY21-22, while construction is scheduled for FY22-23.

**Status:** Design on this project will begin in early 2022.
