What is planned for the future?

Based on the desire of the community the following amenities are being considered or are planned:

- Posse Grounds Shade Structures and Playground Equipment – scheduled to be completed by June 2022.
- Ranger Station Park – the buildout of this park has commenced and will be completed two years earlier than originally planned.
- Dedicated pickleball courts – eight new courts to be constructed at Posse Grounds Park in Fiscal Year 2023.
- Disc Golf Course – temporary course established in 2021. The buildout of an 18-hole course will be dependent on usage and interest.
- Dog Run/Field – future capital project.
