

2021 CITY OF SEDONA SUSTAINABILITY REVIEW

CLIMATE ACTION PLAN

The City adopted its first Climate Action Plan (CAP) in July. The CAP sets a goal of reducing community-wide emissions by 50% by the year 2030 through 50 actionable items.

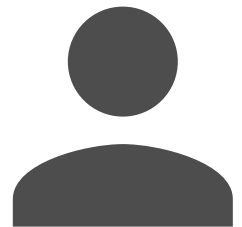

GREEN FLEET POLICY

The City created and adopted a Green Fleet Policy in November. The policy prioritizes electric fleet purchases and aims for a completely zero-emissions light duty fleet by 2030.

NEW STAFF

- 2 The City added two new Sustainability Program staff this year. With additional staff capacity, the City will be able to launch even more sustainability initiatives.

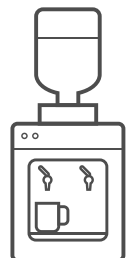

HAZARDOUS WASTE DIVERTED

24,338 LBS 12,900 lbs. of hazardous waste and 11,438 lbs. of electronics were diverted from the landfill at our household hazardous waste collection event.

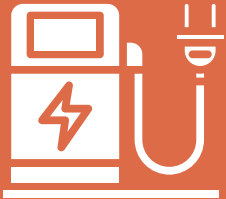

HYDRATION STATIONS

- 1 Additional water bottle refill station was installed at Posse Grounds Park. Additional refill stations have been purchased to be installed Uptown in 2022.

BIKE PATHS AND SIDEWALKS

The City's Public Works Department finished construction of a one mile shared-use path along Thunder Mountain Road and Sanborn Drive. This promotes active, low-carbon travel.

ELECTRIC CAR CHARGING

- 2 The City installed two new electric vehicle charging stations in Uptown. We also secured a grant from APS to build four chargers at Sunset Park in 2022.

HOLIDAY EVENTS

The City has reduced food waste at events like Breakfast with Santa by offering composting. Additionally, events like the Pumpkin Drop made it easier to compost jack-o-lanterns.

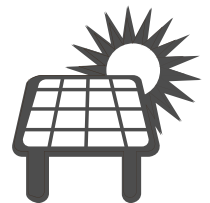

LOW WATER GARDEN

City staff and Yavapai County Master Gardeners collaborated to build two demonstration gardens at City Hall that use drought-resistant plants that attract pollinators.

SOLAR CO-OP

The City partnered with Solar United Neighbors, the City of Flagstaff, and Coconino County to save residents money on solar installations through the Northern Arizona Solar Co-op.

WATERSHED CLEANUPS

**425
LBS**

In partnership with the Oak Creek Watershed Council, 425 lbs of trash was removed from watershed drainages across Sedona.
