## ART INSPIRES US TO CREATE SOMETHING NEW AND SEAC THE WORLD THROUGH A DIFFERENT PERSPECTIVE.

**DESCRIPTION:** S.E.A.C. offers a two-week art camp with an exhibition party on each Friday. The children will demonstrate their favorite art process. Friends and family are invited. Children may bring snacks or refreshments to share for the end of the week party. The camp can take up to 12 children each week. Campers may sign up for one or both weeks.

Participants should wear clothes they can get messy in and bring a refillable water bottle and a snack. Unlike last year, a snack will not be provided.

**CAMP PHILOSOPHY:** To teach the joy of art and creativity. Increase self-esteem, self-expression and experiment with new ideas. Children will practice problem solving and critical thinking. This art program will offer a fun art experience in a safe and kind atmosphere.

**INSTRUCTOR:** Maria Bowers is the art instructor, with over fifteen years experience. Maria previously worked at Bright Child, an indoor playground/children's center in Santa Monica CA. She was the art director and party coordinator for 8 years. Maria also worked at Vista Del Mar child and family services on a child enrichment program, in Los Angeles for 9 years.
