Sedona in Motion 12A, 12B – Traveler Information – Traffic Data & Video Services

FY23 CIP Update

KEY FEATURES:

Consultant: Kimley-Horn (Travel Time) SEC, Inc. (camera installation)

Contractor: TBD

Timing: July 2018 – FY 23

Construction Challenges:

- Communications capabilities

Project Manager:

Kurtis Harris, PE
 (928) 203-5059
KHarris@SedonaAZ.gov

City Engineer:

J. Andy Dickey, PE
 (928) 203-5039
ADickey@SedonaAZ.gov

\$ FY23 Project Budget: \$27,000

Total Project Budget: \$752,000

This project is a result of the Transportation Master Plan (TMP). It was identified by Council as a high priority project. This project consists of providing real-time information to travelers through a variety of methods.

Status: The travel time information signage as shown in the image above is being displayed by ADOT on overhead Digital Message Signs (DMS) on the I-17 corridor as of December 11, 2018. Current travel times for those signs can be viewed by visiting AZ511.gov. Staff is working with ADOT to ensure the messaging is accomplishing the goals of reducing travel times and congestion within the City. ADOT has committed to installing DMS northbound just north of General Crook Trail on ramp. Project design kick-off meeting is scheduled for early October. Construction bids are to advertise in June.

Traffic cameras have been installed along SR 179 near Tlaquepaque and in Uptown. Additional cameras with features to allow photo stills are necessary allow residents and tourists to view current traffic conditions. Staff is pursuing other locations for cameras such as Cook’s Hill and the Chapel area. The City is continuing to monitor ongoing travel time information to gauge congestion frequency/duration, and gauge benefits of completed projects. This data is also beneficial for informing when Traffic Control Assistants should be deployed in Uptown and at Tlaquepaque.

Project Status

August 2022

Project Phase	% Completion	Completion Date
Design	60%	TBD
Construction	0%	TBD
