

Red Rock Ranger District

"Red Rock Trails Program"

Since the late 1990's, the Coconino National Forest and the City of Sedona have worked together:

- City's Trails and Urban Pathways Plan
- Forest Service Amendment 12
- Improve and maintain non-motorized trails

The USFS wishes to renew the agreement with the City of Sedona that allows for work of mutual benefit. The current agreement expires on October 23, 2023.

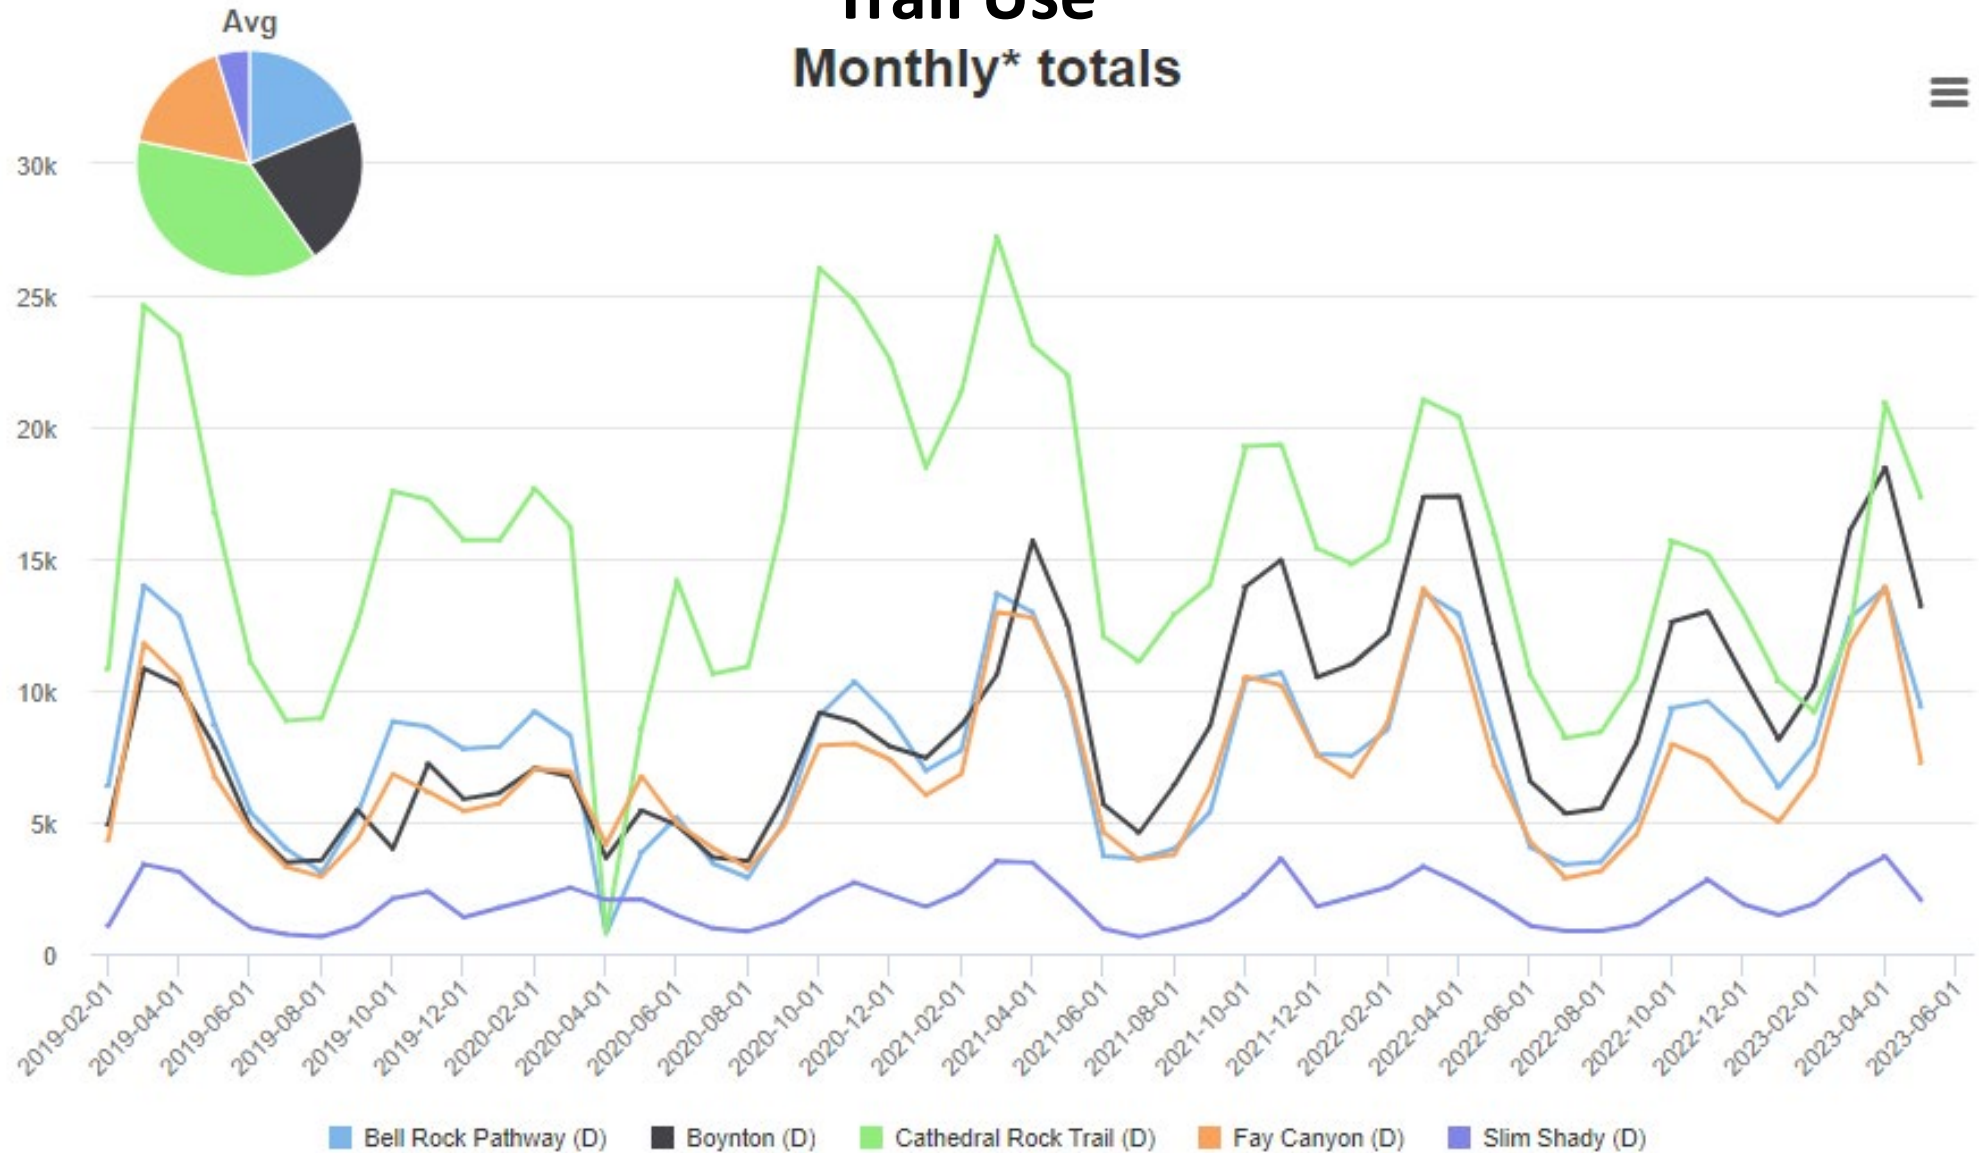

Future work

- Maintenance of non-motorized trails in and around the Sedona City limits
- Management of a trail maintenance volunteer program, and supervision of volunteer trail patrollers and ambassadors.

Rabbit Ears and Little Rock Realignment

Doe Mountain and Boynton Canyon

Doe Mountain and Boynton Canyon

Western Gateway Trail System

Improved signage, junction maps, and kiosk maps.

AZCC, ACE, & Ancestral Lands

These crews are funded by grants prepared by district staff and local partners. They provide vital assistance to our construction and maintenance projects and offer experience and training in recreation based public land management.

Youth Corps Hours= \$904,869 in labor
