The City of Sedona is continuing to add public art in roundabouts for the beautification of State Route 179. Four sculptures have been chosen by the public to be placed in the center of roundabouts at: Canyon Dr, Morgan Rd, Chapel Rd, and Back O 'Beyond Rd.

Status: Arizona Department of Transportation has given preliminary approval and recommendations for the conceptual designs of the sculptures. Artists are currently sculpting and preparing structural plans for future installation. Encroachment permits for Canyon Drive, Morgan Road, and Chapel Road have been submitted to ADOT for review. Bidding for the construction work is in process. Sculptures "Julian and Maria" and "Roadrunner" are planned to be placed in the Summer of 2024.
