Sedona in Motion 110 – SR179 Signing & Striping

FY24 CIP Update

KEY FEATURES:

Consultant: City Staff

Contractor: Pavement Restoration and Maintenance

Timing: Summer 2024

Construction Challenges:

ADOT Encroachment Permitting
 Easement from Commercial Property
 Incorporate roundabouts

Project Manager:

Hanako Ueda, EIT
 (928) 203-5024
HUeda@SedonaAZ.gov

City Engineer:

Kurt Harris, PE
 (928) 203-5059
KHarris@SedonaAZ.gov

\$ FY24 Project Budget: \$100,000
Total Project Budget: \$100,000

This project aims to improve safety for bicyclists, especially near roundabouts, by highlighting bicycle on and off ramps to riders utilizing the bike lanes on the SR179 pavement. These ramps exist for the purpose of giving a choice to bicyclists to exit the roadway and maneuver through sidewalks and crosswalks rather than using the circular roadway of the roundabout. The yellow centerline to be striped on the existing shared-use path is a redundant signal to bicyclists that they are in fact permitted to ride on the shared-use path. The addition of wayfinding signage along the shared-use path, which will only be legible to pedestrians and bicyclists, hopes to clarify directions to popular destinations to reduce confusion and trespassing.

Benches, trash cans and dog waste collection stations will also be added along this alignment.

Signage and markings are a way to educate road users of these options. There was a collision between a bicyclist and a vehicle near the Chapel roundabout resulting in serious injuries. The collision may have been avoided either if the driver was aware that the bicyclist was planning to use the circular roadway of the roundabout or if the bicyclist had used a ramp to exit the roadway. We hope to minimize these occurrences.
