Sedona in Motion 4C – Pedestrian Crossing at Oak Creek

FY25 CIP Update

This project is one of the transportation projects identified in the Transportation Master Plan and by Council as a priority. The project proposes construction of a pedestrian bridge, tunnel, or other pedestrian crossing of State Route 179 between Oak Creek and SR 89A. A Feasibility Study was completed for the crossing which identified alternatives and provided a recommendation for a crossing type.

Status: The project is under construction by J. Banicki Construction, Inc. The Project is Substantially complete with a few outstanding items. Those are the electrical components and some of the decorative features.

City staff, ADOT and the consultant (WSP) will be coordinating oversight of the construction with County and Federal agencies, as well as local stakeholders.

The City of Sedona will be working on a public outreach program to keep residents and businesses informed on the construction as well as a project hotline for questions and concerns.

KEY FEATURES:

Consultant: JE Fuller/WSP

Contractor: J. Banicki Construction, Inc

Timing: FY 2018 – FY 2025

Construction Challenges:

- Heavy vehicular and pedestrian traffic
- Tight Construction Area
- Land acquisition
- Potential for restricted work hours
- Floodplain
- Environmentally Sensitive Area
- Utility impacts
